Reception: +41 71 726 72 00

Fire brigade: 118

First aid: 114

Security: 3333

What to do in case of fire

Pre-alarm (intermittent high-pitched sound):

Remain calm! Keep close to your escort.

Gather your personal effects (keys, mobile phone, etc.).

Shut all windows and doors.

Use of elevators is no longer permitted.

Main alarm (continuous high-pitched sound):

Obey all instructions from fire protection commissioner and fire brigade.

Follow the emergency exit signs to leave the building immediately.

Go directly to the assembly point and remain there with your escort.

Do not stray from the assembly point.

Pre-alarm without subsequent main alarm (intermittent high-pitched sound followed by silence):

There is no imminent hazard.

Resume your normal activities.
